

Make friends by speaking their languages!

Japanese volunteers help you study Japanese as conversation partners.

Japanese Practice Club

Those who came to Kumamoto from abroad and want to learn more Japanese, or those who are interested in international exchange or volunteering, would you like to join the Japanese Practice Club?

①YMCA will consider your schedule and try to arrange a partner for you.

You and your partner can set up your own practice schedule during Kamitori YMCA's business hours.

②Anyone over 16 years old can join the club.

Registered students in Kamitori YMCA Japanese courses are also welcome!

It is a great opportunity to review lessons.

③Teaching materials are available for you to use at practice.

④You can get information about events and volunteer activities conducted by YMCA and related organizations.
